Product Name :	Product Code :
Automatic Coding Machine	EQUP-MC20087-0046

Description :

Automatic Coding Machine

Technical Specification :

Power   230 Vac
Weight   8 kg
Printing Speed   90 per minute
Voltage   230 Vac
Automation Grade   Automatic
Display Type   None
Speed   90 per minute
Printing Type   Ribbon
Driven Type   Motor

The Automatic Coding Machines is a high speed printer also known as Batch Coding Machine designed to give clear legible codes
