

**Product Name :**  
Conventional Fire Alarm System

**Product Code :**  
EQUP-MC20055-0004

**Description :**

Conventional Fire Alarm System

**Technical Specification :**

System Components	Fire Alarm Control Panel
Body Material	MS
Automation Grade	Semi-Automatic
Wall Mounted	Yes
Voltage	12-24 V
Control Keys	Mute Buzzer, Evacuate
Relative humidity	95%
Current Rating	500mA
