

**Product Name :**  
Fire Controlled Percolating Hose

**Product Code :**  
EQUP-MC20056-0006

**Description :**

Fire Controlled Percolating Hose

**Technical Specification :**

Riding on immeasurable volumes of industrial expertise, we are engrossed in providing Controlled Percolating Hose.

Size	1 to 4 inch
Material	Stainless Steel
Unit Length	4 to 10 m
Pressure	1.3 MPa

**Equip Machines China**
