

Product Name :
Fire Trolley Mounted Mechanical Foam Type Extinguisher

Product Code :
EQUP-MC20056-0016

Description :

Fire Trolley Mounted Mechanical Foam Type Extinguisher

Technical Specification :

Backed by a rich industrial experience, we are actively committed in providing a world class plethora of Trolley Mounted Mechanical Foam Type Extinguisher.

Fire Extinguisher Type	Mechanical Foam (Afff) Based
Capacity	11.5 to 45 Kg
Temperature Range	-20 to 65 deg C
Material	Carbon Steel
Test Pressure	2.7 MPa
