

**Product Name :**  
C Clamp

**Product Code :**  
EQUP-MC20025-0002

**Description :**

C Clamp

**Technical Specification :**

- Advanced frame design resists flexing and bending
- Heavy-duty, malleable iron and steel construction
- High-visibility, corrosion-resistant finish
- Oversized "T" handle for extra torque
- Roll-formed screw threads ensure smooth operation and durability
