

**Product Name :**  
1585mm Chain Pipe Wrench

**Product Code :**  
EQUP-MC20030-0008

**Description :**

1585mm Chain Pipe Wrench

**Technical Specification :**

Drop forged jaws with high grade steel. An accurately machined jaw teeth on both sides of the jaw provides from gripping and are easy for reverse operation. Scientifically heat treated to give maximum strength and wear resistance.

Length 1585 mm  
Material High Grade Steel  
Type of Product Chain Pipe Wrench  
Dia. of Pipe 324 mm  
thickness 15 mm  
Weight (g) 16500 g  
Jaw size 215 mm  
Jaw width 95 mm
