

**Product Name :**  
Automatic Water Bore Well Drilling Machine

**Product Code :**  
EQUP-MC20141-0001

**Description :**

Automatic Water Bore Well Drilling Machine

**Technical Specification :**

We are the leading entity in the industry, highly engaged in offering the best quality range of Tractor Mounted Core Drilling Rig.

Product Type : Bore Well Drilling Machine

Operation : Semi-Automatic

Hole Diameter : 200-250 mm

Work Pressure : 1-2 Pa

**Equip Machines China**
