Product Name :
Weldarc Three Phase Arc Welding Machine

Product Code :
EQUP-MC20161-0002

Description :

Weldarc Three Phase Arc Welding Machine

Technical Specification :

Current (Ampere): 200-300
Technology: Inverter Based
Voltage(V): 220V
Motor Type: AC Motor
Phase: Three Phase
Industrial approved design
Easy to install
Durable

Equipments Machines Manufacturers
