

**Product Name :**  
Shrink packaging systems

**Product Code :**  
EQUP-MC20200-0001

**Description :**

Shrink packaging systems

**Technical Specification :**

Duration of the cycle (processing) from 2 seconds.

Temperature control range up to +92 °?

Working volume of the bath:

Length, mm 400

Width, mm 600

Depth, mm 300Overall dimensions of the installation (along the front):

Length, mm 600

Width, mm 740

Height, mm 1390 with an umbrella / 1160 without an umbrella Working temperature of water from +70 °? to +92 °?
