Product Name :
Aseptic High Speed Straw Applicator

Product Code :
EQUP-MC20074-0007

Description :

Aseptic High Speed Straw Applicator

Technical Specification :

overall dimension: 3500x860x1500
Machine weight: 300kg
Horse power: 4.5KW max.
Application capacity: 12000 - 16000packs/h
Feed pattern: single file
Width of carrying belt: B55
Application air pressure: 0.4-0.6Mpa
Working pressure of the hot melt adhesive pump: 0.28Mpa
Max. air consumption: 100L/min
