Product Name :	**Product Code :**
Packing Hologram Label Applicators	EQUP-MC20085-0039

Description :

Packing Hologram Label Applicators

Technical Specification :

Direction of Movement   Left to Right
Output Min   Up to300
Power Supply   1 Phase, 230V, 50Hz AC Supply

The is suitable for various types of label and film sticking on container when required higher volume and label on conveyor line. This economic model incorporates advance label dispensing system and capable of labeling up to 300 Label/Min. depending on Length. The high performance label dispenser incorporates advance microprocessor - controller to be installed in very fast packaging lines. You can incorporate with assembly line or other packing line to get a high efficiency. The unique system creates smooth label application operation and help in achieve high speeds.

Salient Features :

- Very smooth and high speed of operation
- Speed can be vary at single point.
- M.S. powder coated stand.
- Fully password protected (Not required by operator).
- Accurate label placement.
- Built in product counter.

Optional Features :

- Label Roll Empty : Machine stop with alarm.
- Missing Label : Machine stop with alarm.
- Servomotor instead of stepper motor - for high speed application**.**
