Product Name :
Packing Semi Automatic Screw Capping Machines

Product Code :
EQUP-MC20085-0045

Description :

Packing Semi Automatic Screw Capping Machines

Technical Specification :

Output Per Hour 1000 to 2400 Containers
Power 1 H.P
Voltage 415 V
Phase 3 Phase
Frequency 50 Hz

Our provided products are easy to use and no different parts require for various container diameters and sealing pressure can be varied to suit different gauges and size of caps. Apart from this, the offered machines are made available in multiple specifications to fulfill the requirements of several applications.
