

Product Name:

Packing Air Jet Cleaning Machine

Product Code:

EQUP-MC20085-0062

Description:

Packing Air Jet Cleaning Machine

Technical Specification:

Machine Type Automatic
Usage/Application Glass, Plastic, Pet, Tin, Corrugated containers
Features No bottle and Jam Bottle - Machine stop

The Air Jet Cleaning Machine is compact in size, rugged, versatile and engineered for reliability and enhances Operation Efficiency, which confirms to High Standard Engineering Design / Workmanship.
