

Product Name :
Horizontal Foot Operated Pouch Sealer

Product Code :
EQUP-MC20086-0004

Description :

Horizontal Foot Operated Pouch Sealer

Technical Specification :

Capacity Variable
Automatic Grade Manual
Condition New
Voltage 90
Type Packing
Weight 25 kg
Power Supply Singhal Phase

Features:-

- Foot sealer sealing machine suitable for 1/2kg to 25 kg.pouch high Quality of
- Sealing.Accurate sealing of pouch packing machine like tea,confectionery,wafers,snacks,powder.
- Very fast production and low maintenance.LD, PP, BOPP all the pouch you can seal it.

| Sealing Length | Sealing Width | Watts | Voltage Supply |
|----------------|---------------|-------|----------------|
| 8 | 15mm | 500W | 220V |
| 12 | 15mm | 500W | 220V |
| 16 | 15mm | 500W | 220V |
| 20 | 15mm | 500W | 220V |
| 24 | 15mm | 500W | 220V |
| 28 | 15mm | 500W | 220V |
