

Product Name :
Foot Impulse Sealing Machine

Product Code :
EQUP-MC20086-0005

Description :

Foot Impulse Sealing Machine

Technical Specification :

Capacity Variable
Automatic Grade Semi-Automatic
Condition New
Voltage 220
Type Sealing
Weight 35 kg
Power Supply singhal Phase
Max. Sealing 125 mm
Power 220
Adjustable Seal Head Yes
Is It Resistant to Corrosion Resitant
Application Sealing Machine

Using the best grade components, we are successfully manufacturing, trading, distributing, retailing, importing and supplying Foot Impulse Sealing Machine. Provide perfect sealing of tea, confectionery, wafers, snacks, powder pouches, this impulse sealing machine is specifically designed using high grade material and leading techniques. To meet the various needs of our customers, the offered impulse sealing machine is availed in different specifications.

Features:

- Ergonomic design
- Lightweight
- Better efficiency

Other Details:

- Foot sealer sealing machine suitable for 1/2 kg to 25 kg pouch high Quality of Sealing
- Accurate sealing of pouch packing machine like tea
- Confectionery, wafers, snacks, powder
- Very fast production and low maintenance
- LD, PP, BOPP all the pouch you can seal it

Sealing Length	Sealing Width	Watts	Voltage Supply
8	3 mm to 5 mm	500 w	220 v
12	3 mm to 5 mm	700 w	220 v
16	3 mm to 5 mm	900 w	220 v
20	3 mm to 5 mm	1200 w	220 v
24	3 mm to 5 mm	1400 w	220 v
28	3 mm to 5 mm	1600 w	220 v
32	3 mm to 5 mm	1800 W	220 V
36	3 mm to 5 mm	2000 W	220 V
40	3 mm to 5 mm	2200 W	220 V
