

Product Name :
Dauble Chamber Vacuum Packager

Product Code :
EQUP-MC20086-0036

Description :

Dauble Chamber Vacuum Packager

Technical Specification :

Phase Three Phase
Chamber Type Double
Sealing Length 500 mm
Automation Grade Semi-Automatic
Voltage 180
Power 220
Weight 150 kg

Being leaders in the market, we are manufacturing, trading, distributing, retailing, importing and supplying a precisely design Chamber Vacuum Packaging Machine. Removes all the air from the pouch before sealing, the offered packaging machine is designed using top quality raw material and modern technology under the guidance of our skilled professionals. Moreover, our clients can avail the offered packaging machine from us at nominal rates.

Features:

- Well-built construction
- Consistent performance
- High functionality
