

**Product Name :**  
Semi Automatic Flat Labeling Machine

**Product Code :**  
EQUP-MC20086-0040

**Description :**

Semi Automatic Flat Labeling Machine

**Technical Specification :**

Usage/Application Bottle Sticker Labeling machine  
Bottle Type Flat Types  
Material M.S.Material  
Type Flat  
Speed Variable  
Capacity 25 - 50 pcs/min  
Automation grade Semi-Automatic  
Voltage 180 V  
Phase Singhal Phase

With our proficiency in this relevant domain, we are able to provide an optimum quality assortment of Semi Automatic Round Bottle Labeling Machine in the national market. These offered machines are stringently examined and tested by our quality controllers on varied parameters to make sure their perfect delivery at clients end. Apart from this, these products are highly appreciated in the market.

**Features:**

- Corrosion resistant
- High strength
- Hassle free functionality

**Additional Information:**

---

· Pay Mode Terms: T/T (Bank Transfer),Other  
Production Capacity: 35-40 ppm
